Re: Agreement for Sale of Surplus Water

Dear Sirs and Madams:

Please be informed that the Village of Albion will increase the water rate to your municipality.

Pursuant to the Agreement for the Sale of Surplus Water, your municipality has three (3) months to provide written notice to the Village of Albion for the opportunity to review the basis and/or justification of the increase in the water rate.

The rate increase is 2.5%. The last increase in water price was in November 2000.

The new rate of \$2.94 per 1,000 gallons of water will take effect for the usage in October and going forward.

If you have any questions regarding this matter, please contact Tracy Van Skiver, Water Billing Clerk, at (585)589-9176 Ext 101.

We are committed to making significant capital investments in our water infrastructure in order to ensure that our community will continue to enjoy the benefits of safe and efficient drinking water systems well into the future.

Very truly yours,

Linda K Babcock  
Village of Albion Clerk

## Fwd: alternative placement of streetscape equipment

Wed 9/4/2013 6:20 PM

**From:** Katelin Olson

**To:** townclerk@townofalbion.com

---

Good evening,

The streetscape projects that were slated to be on North Main Street were sent for Department of Transportation review immediately after Patricia said they were acceptable. As the DoT process can take multiple months, I created an alternative placement plan that enables the Town to safely purchase about 90% of the projects without needing DoT approval. This plan has been approved by the Village (email confirmation following) as well as Patricia (see below). DoT approval is expected, but if it's delayed, the majority of the projects can be installed in the alternative locations and then re-located to the original ones next spring with the Main Street Program's consent. The scope of work has not changed, only reduced in limited occasions. The report approved by Patricia is attached for your records.

For September, we'll be purchasing the following items, which all take between 4-8 weeks:

- benches
- bike racks
- veterans memorial plaque
- one of two interpretive panels
- historical marker
- design services for one of two interpretive panels
- tree and flower planters

In October, I anticipate being able to purchase the following items/services that require 4 weeks or less:

- the second interpretive panel (already designed)
- bench murals
- welcome mural
- sandstone bench
- decorative base around clock (pending DoT)
- street signs (pending DoT)
- trees
- soil
- design services for street signs
- design services for the second interpretive panel

Again, I apologize for the many emails, and appreciate your ongoing assistance.

Best,

Katelin
